Dear Γεώργιος,
a perfect stay at a wonderful place. Congratulation
to all the efforts and thoughts about how to please
your guests. We could have stayed here easily
for weeks, if we had the time and the knowledge
of what we had to expect. The crown of
our journey through Crete. Rethymno
was also a very pleasant surprise.

Best wishes

Dear George & Vederi family

The entire estate + village has been nothing short of a dream and all we can talk about is the next time we can come back. The surrounding nature - all the amazing birds and trees + flowers, the sheep, the goats, the locals, Vederi staff, BOTH DOGS and all the cats, and the location itself, private and quiet and right in the heart of country living - everything played a part in making this ~~the~~ most special experience for everyone in our family. We thank you for everything and will also tell everyone (well, not everyone haha) about this slice of utopia we've had the pleasure of living. We look forward to seeing you again next year!!

With much appreciation!! Kristen

What a lovely villa set in the most beautiful location
and estate! We had a lovely time and thank you ever
so much for all the recommendations provided to us
during our stay. Lethymnon is beautiful and our kids
thoroughly enjoyed this holiday!

The villa is very private and we enjoyed our stay here,
we wish we could have stayed longer. Thank you
once again for a safe and great stay here at
your estate, much appreciated!

We are most definitely going to recommend this to
our friends and family, and hope to be back
soon! P.S. lovely company from the cats of dogs! :-)

Estate

21/08/2024.

We had a truly wonderful stay at Vederi Estate!!
The villa was very clean, had everything we
needed and is set-up perfectly for a family.
Our kids absolutely loved the pool - we couldn't
get them out!! Despite being next to another
villa we found it to be very private which is
great, and the beautiful Olive tree providing
lots of shade is the star of the show!

Whatsapp group with the staff was super
helpful - you really have thought of
everything. Thank you very much for
such a fabulous holiday.

describe the short time.
Friendly people everywhere,
Exceptional location.
Amazing landscape
excellent home service.
Fantastic food.

Fall asleep to the sound of the sheep's bells
in the evening.

Waking up in the morning to the sound
of roosters crowing and cats, cats, cats.

We had a wonderful time at Uedesi Estate spending our yearly girls trip here.

The location, the house, everything was just perfect. Thank you so much!

This vacation will stay in our memories.

Countless hours at the pool, the beach or in general outside were possible because of the nice weather even for October.

We were here for the first, but definitely not the last time!

We felt really comfortable here. Especially the places at the pool and under the olive tree were so lovely.

Waking up in the silence (only kikeriki ☺) and enjoying the first coffee in the sun was perfect.

The great recommendations via WhatsApp and general communication ~~were~~ very helpful.

Thank you so much!

The Happy Canadians are very thankful for our stay in Melppmeni Villa. It is peaceful and beautiful. We felt, for a while, like the rich and famous! We now go back home filled with great memories and respect for the warm Cretian people, all so kind.

Thanks again !!

We came here for our honeymoon and have had a fantastic stay! The villa is lovely and so well positioned - close to Rethymno and halfway between Chania + Heraklion. Thankyou for making our holiday so memorable + enjoyable. We also really enjoyed greeting the dogs near the gate every day! Everyone in Crete is so lovely, warm and welcoming - we shall be back. Ευχαριστώ!

Thank you for sharing your beautiful villa with our families! This was
the perfect spot from which to explore the region - we made trips to
Rethymno, Chania, Preveli beach + Moni Preveli, the Mili gorge, Kavtatotiko
gorge, Lake Kourna, and Sertan Lmania beach. And every day we
enjoyed warm sunshine while eating breakfast and dinner outdoors.
Our children loved the pool. We really appreciated all of the local
recommendations and had a fabulous Easter lunch at the
Olive Tavern! We loved everything about the villa and are
so grateful for the hospitality!

The Wards and the Wrights

25th April 2025.

We have had the most fantastic week, based here at Vederi. We spent the first day getting into the holiday spirit here in the villa, then enjoyed Easter lunch at the Olive Tavern, which was fantastic. We've then spent the rest of the week exploring the Island, from Spinalonga and Agios Nikolaos, Rethymno, Asomatos, Plakias + Damoni Beach, to the beautiful caves at Zoniara and Heraklion, to Georgioupoli and Lake Kari today. Exploring Chania on our way home tomorrow. ♡ We've loved every second and cannot thank you enough for your wonderful hospitality. We cannot wait to return.
